SECTION 1: TITLE. This Ordinance shall be known and cited as the Windsor Charter Township Public Nuisances Ordinance.

SECTION 2: PUBLIC NUISANCE DEFINED AND PROHIBITED. The term “*Public Nuisance*” means whatever annoys, injures, or endangers the safety, health, welfare, comfort, or repose of the public; offends public decency or aesthetic sensibilities; interferes with, obstructs, or renders dangerous any street, highway, navigable lake, or stream; or in any way renders the public insecure in life or property, and is hereby declared to be a public nuisance.  - B. Any river, lake, stream, or other body of water.

Any private place or premises where in the opinion of the Township Ordinance Enforcement Officer or his/her agent the specified substances constitute a dangerous condition or are detrimental to the public health, safety, or welfare or offend aesthetic sensibilities or may cause sickness or attract flies, insects, rodents, or vermin.
2. The emission of noxious fumes or gas, smoke, ashes, or soot in such quantities as to render occupancy of property dangerous or uncomfortable to a person of ordinary sensibilities.
 3. The keeping, placing, injecting, dumping, or discharging by any means of toxic or hazardous waste, explosives, inflammable liquids, or other dangerous substances into the air, water, or subsurface soil, or onto the surface of the ground, or stored in any manner or in any amount contrary to the provisions of any statute or applicable administrative regulation of the state.

Provided, however, that under circumstances determined by the Township Ordinance Enforcement Officer to be in the public interest, he/she may grant persons temporary exemption from the provisions of this subsection conditioned upon cleaning and correcting the violating condition as specified by the Township Ordinance Enforcement Officer and execution of an agreement by such person to reimburse the Township for any extraordinary maintenance expenses incurred by the Township in connection with such violation.
 6. The keeping of bees, when such keeping results in the disturbance of the safety, comfort, and repose of one or more persons or shall render one or more persons insecure in the use of his property.

8. The keeping, either inside or outside of any building, structure, or dwelling, in a place accessible to children, any abandoned, unattended, unused, or discarded icebox, refrigerator, or any airtight container of any kind which has a snap latch or other locking device thereon without first removing the snap latch or other locking device or the doors from such icebox, refrigerator, or other such airtight container.

The registered owner or lessee of a vehicle from which litter is thrown, dropped, dumped, deposited, placed or left is presumed to be the person responsible for littering.
11. Discharging prohibited items into public storm sewer. It is unlawful to make illicit discharges, as defined in subsection (A) below, either directly or indirectly to a public storm sewer.
 - A. Except as provided in subsection (B) below, all discharges that are not entirely composed of storm water are prohibited. The following is a partial list, provided for informational purposes only, of common substances that are prohibited discharges when allowed to enter a public storm sewer: solid waste; human and animal waste; antifreeze, oil, gasoline, grease and all other automotive and petroleum products; flammable or explosive materials, metals in excess of naturally occurring amounts, whether in liquid or solid form; chemicals not normally found in uncontaminated water; solvents and degreasers; painting products; drain cleaners; commercial and household cleaning materials; pesticides; herbicides; fertilizers; acids; alkalis; ink; steam-cleaning waste; laundry waste; soap; detergent; ammonia; chlorine; chlorinated swimming pool or hot tub water; domestic or sanitary sewage; animal carcasses; food and food waste; yard waste; dirt; sand; and gravel.

surface water; natural uncontaminated groundwater; air conditioning condensation; natural springs; uncontaminated water from crawl space pumps; runoff from lawn watering; irrigation runoff; runoff from residential car washing by individuals; flows from riparian habitats and wetlands; heat; discharges in compliance with an NPDES permit; and discharges from approved footing drains and other subsurface drains or, where approval is not required, installed in compliance with applicable rules, laws and Ordinances.

- C. Exemption: Discharges resulting from public firefighting activities are exempt from regulation under this section.
- D. Testing for Prohibited Discharges: When the Township Ordinance Enforcement Officer has reason to believe that any prohibited discharge may be occurring, the Township Ordinance Enforcement Officer may sample and analyze the discharge and recover the costs from a responsible party in an enforcement proceeding. When the discharge is likely to contain prohibited discharges on a recurring basis, the Township Ordinance Enforcement Officer may conduct, or may require the responsible party to conduct, ongoing monitoring at the responsible party's expense.

12. Violating the following noise regulations:

- A. General Regulation. No person, firm or corporation shall cause or create any unreasonable or unnecessarily loud noise, injurious to the health, peace, or quiet of the residents and property owners of the Township.
- B. Specific Violations. The following noise disturbances are hereby declared to be a violation of this Ordinance; provided, however, that the specification of the same is not to be construed to exclude other violations of this Ordinance not specifically enumerated:

 - (iii) The emission or creation of any excessive noise that unreasonably interferes with the operation of any school, church, hospital or court.
 - (iv) The keeping of any animal, bird or fowl that emanates frequent or extended noise that unreasonably disturbs the quiet, comfort or repose of a

The modification of any noise abatement device on any motor vehicle or engine, or the failure to maintain same so that the noise emitted by such vehicle or engine is increased above that emitted by such vehicle as originally manufactured shall be in violation of this Section.
- (vii) The sounding of any horn or other device on any motor vehicle, or otherwise, unless necessary to operate said vehicle safely or as required by the Michigan Motor Vehicle Code (MCL 257.1 et seq.).
- (viii) The erection, excavation, demolition, alteration or repair of any building or premises in any part of the Township, including the streets and highways, in such a manner as to emanate noise or disturbance unreasonably disturbing to the quiet, comfort or repose of a person of reasonable sensitivities, other than between the hours of 7:00 a.m. and sundown on any day, except in cases of urgent necessity in the interest of public health and safety. Urgent necessity would include snow plowing, utility repairs, and similar situations.

 - (xii) The operation of any race track, proving ground, testing area or obstacle course for motor vehicles, motorcycles, boats, racers, automobiles or vehicles of any kind or nature in any area of the Township where the noise emanating there from would be unreasonably disturbing to the quiet, comfort or repose of a person of reasonable sensitivities. Under no circumstances shall any race track, proving ground, testing area or obstacle course operate after 11 p.m. on any evening.
- C. Exceptions. None of the prohibitions enumerated above shall apply to the following:
- (i) Any police vehicle, ambulance, fire engine or emergency vehicle while engaged in necessary emergency activities.
 - (ii) Excavation or repair of bridges, streets or highways or other property by or on behalf of the State of Michigan, Windsor Charter Township, or the County of Eaton, between sundown and 7 a.m. when the public welfare, safety and convenience render it impossible to perform such work during other hours.

SECTION 4: ABATEMENT; NOTICE; CIVIL INFRACTIONS AND CIVIL PROCEEDINGS; AUTHORITY OF OFFICERS TO ABATE PUBLIC NUISANCES.

1. **Public Nuisances on Township Property.** Whenever any public nuisance described in Sections 2 or 3 shall exist upon Township property or upon the property of another municipal corporation within the boundaries of the Township, such public nuisance may be abated by the Township Ordinance Enforcement Officer or his/her agent without notice and the cost of abatement charged as provided in Section 6.
2. **Public Nuisances on Private Property.** Except as provided in the Michigan Vehicle Code (MCL 257.1 et seq.) for junk or abandoned motor vehicles, whenever any public nuisance shall exist on private premises within the Township, the Township Ordinance Enforcement Officer or his/her agent shall give notice in writing by hand delivery, first class mail, certified mail, return receipt requested, or electronic delivery addressed to the owner or occupant of the property where the public nuisance exists or to the person otherwise responsible for such public nuisance. Such notice shall specify the location and nature of the public nuisance and shall indicate that such owner or occupant or person otherwise responsible is required to repair, tear down, abate, or otherwise remove the

public nuisance within ten days of the receipt of the notice. Following the issuance of such notice, the Township Ordinance Enforcement Officer or his/her agent may proceed to initiate civil infraction or other civil proceedings permitted by law to abate the public nuisance.

3. **Civil Infractions.** Any person or other entity who causes or permits to continue a public nuisance as prohibited by the Ordinance is responsible for a municipal civil infraction as defined by Michigan law and is subject to a civil fine of not more than \$500.00, plus costs, which may include all direct or indirect expenses which the Township has incurred in connection with the violation. A violator of this Ordinance shall also be subject to such additional sanctions, remedies, and judicial orders as are authorized under Michigan law. Each day a violation of this Ordinance continues to exist constitutes a separate violation.

4. **Abatement by Township Officials.** If the Township intends to abate the nuisance by entering the property and causing the work to be done to repair, tear down, abate, or otherwise remove the nuisance and charge the cost thereof to the property owner, the Township shall provide notice of such intent as well as provide notice that, at the option of the owner or occupant, a hearing may be requested within the ten-day period pursuant to section 5 of this Ordinance. Notice shall be provided by hand delivery, first class mail, certified mail, return receipt requested, or electronic delivery. If no hearing is requested in the time allotted, or following a hearing held pursuant to Section 5, such nuisance may then be repaired, torn down, abated, or otherwise removed by the Township Ordinance Enforcement Officer or his/her agent and the cost thereof charged as provided in Section 6. If the actual owner or occupant of the premises is unknown or cannot be located, notice may be given by posting a copy of such notice upon a conspicuous part of the property where the public nuisance is located and by mailing a copy of such notice by first class mail or certified mail, return receipt requested, addressed to the owner or party in interest at the address shown on the Township tax records at least 10 days before further action by the Township Ordinance Enforcement Officer.

SECTION 5: HEARING. If, after notice provided under Section 4(4), the recipient of the notice requests a hearing as therein provided, a hearing shall be held before the Township Supervisor or a hearing officer appointed by the Township Supervisor to determine whether a violation of this Ordinance has or is occurring on the property in question. The Township Supervisor or his appointed hearing officer shall make a decision with written findings of fact based upon his investigation and evidence presented at the hearing as to whether the condition in question violates the provisions of this Ordinance. If the Township Supervisor or his/her appointed hearing officer determines that the condition violates the provisions of this Ordinance, he/she shall order the person requesting the hearing or owner or occupant of the premises in question to repair, tear down, abate, or otherwise remove the nuisance in question within a reasonable time, but not less than five days. If the public nuisance is not repaired, torn down, abated, or otherwise removed within the period allowed in the order, the Township Ordinance Enforcement Officer or his/her agent may repair, tear down, abate, or otherwise remove such public nuisance and charge the cost thereof as provided in Section 6.

SECTION 6: ABATEMENT; COSTS. All expenses incurred by the Township Ordinance Enforcement Officer or his/her agent in repairing, tearing down, abating, or otherwise removing a public nuisance under this Ordinance shall be charged to the person responsible therefor, the occupant of the land in question, or the person who appears as owner or party in interest upon the last local tax assessment records of the Township. If such person fails to pay the charge within 30 days after a statement therefor is mailed to him or her, the amount of expenses incurred by the Township in repairing, tearing down, abating, or otherwise removing the public nuisance may be paid from the Township general fund and the amount thereof assessed against the lands on which the expenditures were made on the next general assessment roll of the Township and shall be collected in the same manner as other taxes are collected. The Township shall have a lien upon such lands for such expense, such lien to be enforced in the manner prescribed by the general laws of the state providing for the enforcement of tax liens.

SECTION 7: PUBLIC NUISANCES; EMERGENCY ABATEMENT; COSTS. The Township Ordinance Enforcement Officer may act to abate a public nuisance without giving notice as specified in Section 4, if the public health, safety, or welfare requires immediate action. The cost of abating such nuisance shall be charged as specified in Section 6.

SECTION 8: SEVERABILITY. The provisions of this Ordinance are hereby declared to be severable and if any clause, sentence, word, section, or provision is hereafter declared void or unenforceable for any reason by any court of competent jurisdiction, it shall not affect the remainder of such Ordinance which shall continue in full force and effect.

SECTION 9: REPEAL. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed; provided that this Ordinance shall not be construed to repeal expressly or by implication any provision of the Township Zoning Ordinance.

SECTION 10: EFFECTIVE DATE. This Ordinance shall take effect thirty (30) days following publication or posting after final adoption by the Township Board.
