SECTION 4: ABATEMENT; NOTICE; MUNICIPAL CIVIL INFRACTIONS AND CIVIL PROCEEDINGS; AUTHORITY OF OFFICERS TO ABATE PUBLIC NUISANCES.

1. Public Nuisances on Township Property. Whenever any public nuisance described in Sections 2 or 3 shall exist upon Township property or upon the property of another municipal corporation within the boundaries of the Township, such public nuisance may

be abated by the Township Code Enforcement Officer or his/her agent upon approval of the Township Board without notice and the cost of abatement charged as provided in Section 6.

2. **Public Nuisances on Private Property.** Whenever any public nuisance shall exist on private premises within the Township, upon approval of the Windsor Charter Township Board, the Township Code Enforcement Officer or his/her agent shall give notice in writing by certified mail, return receipt requested, addressed to the owner or occupant of the property where the public nuisance exists or to the person otherwise responsible for such public nuisance. Such notice shall specify the location and nature of the public nuisance and shall indicate that such owner or occupant or person otherwise responsible is required to repair, tear down, abate, or otherwise remove the public nuisance within ten days of the receipt of the notice. Following the issuance of such notice, the Township Board may direct the Township Code Enforcement Officer or his/her agent to proceed to initiate civil infraction or other civil proceedings permitted by law to abate the public nuisance.
3. **Civil Infractions.** Any person or other entity who causes or permits to continue a public nuisance as prohibited by the Ordinance is responsible for a municipal civil infraction as defined by Michigan law and is subject to a civil fine of not more than \$500.00, plus costs, which may include all direct or indirect expenses to which the Township has incurred in connection with the violation. A violator of this Ordinance shall also be subject to such additional sanctions, remedies, and judicial orders as are authorized under Michigan law. Each day a violation of this Ordinance continues to exist constitutes a separate violation.
4. **Abatement by Township Officials.** If the Township intends to abate the nuisance by entering the property and causing the work to be done to repair, tear down, abate, or otherwise remove the nuisance and charge the cost thereof to the property owner, the Township shall provide notice of such intent, and the advisement of the owner or occupant that a hearing may be requested within the ten-day period pursuant to Section 5 of this ordinance, shall be done. If no hearing is requested in the time allotted, or following a hearing held pursuant to Section 5, such nuisance may then be repaired, torn down, abated, or otherwise removed by the Township Code Enforcement Officer or his/her agent and the cost thereof charged as provided in Section 6. If the actual owner or occupant of the premises is unknown or cannot be located, notice may be given by posting a copy of such notice upon a conspicuous part of the property where the public nuisance is located and by mailing a copy of such notice by certified mail, return receipt requested, addressed to the owner or party in interest at the address shown on the Township tax records at least 10 days before further action by the Township Code Enforcement Officer.

SECTION 5: HEARING. If, after notice provided under Section 4(4), the recipient of the notice requests a hearing as therein provided, a hearing shall be held before a hearing officer appointed by the Township Board to determine whether a violation of this Ordinance has or is occurring on the property in question. The appointed hearing officer shall make a decision with

written findings of fact based upon his investigation and evidence presented at the hearing as to whether the condition in question violates the provisions of this Ordinance. If the appointed hearing officer determines that the condition violates the provisions of this Ordinance, he shall file a copy of the written findings of fact with the Township Board and order the person requesting the hearing or owner or occupant of the premises in question to repair, tear down, abate, or otherwise remove the nuisance in question within a reasonable time, but not less than 14 days. If the public nuisance is not repaired, torn down, abated, or otherwise removed within the period allowed in the order, the Township Ordinance Enforcement Officer or his/her agent may repair, tear down, abate, or otherwise remove such public nuisance and charge the cost thereof as provided in Section 6 upon approval of the Township Board.

SECTION 6: ABATEMENT; COSTS. All expenses incurred by the Township Ordinance Enforcement Officer or his/her agent in repairing, tearing down, abating, or otherwise removing a public nuisance under this Ordinance shall be charged to the person responsible, the occupant of the land in question, or the person who appears as owner or party in interest upon the last local tax assessment records of the Township. If such person fails to pay the charge within 30 days after a statement is mailed to him or her, the amount of expenses incurred by the Township in repairing, tearing down, abating, or otherwise removing the public nuisance may be paid from the Township general fund and the amount thereof assessed against the lands on which the expenditures were made on the next general assessment roll of the Township and shall be collected in the same manner as other taxes are collected. The Township shall have a lien upon such lands for such expense, such lien to be enforced in the manner prescribed by the general laws of the state providing for the enforcement of tax liens.

SECTION 7: PUBLIC NUISANCES; EMERGENCY ABATEMENT; COSTS. The Township Ordinance Enforcement Officer may act to abate a public nuisance without giving notice as specified in Section 4, if the public health, safety, or welfare requires immediate action. The cost of abating such nuisance shall be charged as specified in Section 6.

SECTION 8: SEVERABILITY. The provisions of this Ordinance are hereby declared to be severable and if any clause, sentence, word, section, or provision is hereafter declared void or unenforceable for any reason by any court of competent jurisdiction, it shall not affect the remainder of such ordinance which shall continue in full force and effect.

SECTION 9: REPEAL. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed; provided that this Ordinance shall not be construed to repeal expressly or by implication any provision of the Township Zoning Ordinance.

SECTION 10: EFFECTIVE DATE. This Ordinance shall take effect thirty (30) days following publication or posting after final adoption by the Township Board.
